Comment on FR Doc # 2020-13705

Submitter Information

Name: John Griffiths

General Comment

Secretary Scalia,

This rule change should be enacted to protect investors like me. As a small business owner, I work tirelessly to ensure our company's success so our employees are taken care of. I expect fiduciaries to work tirelessly, and without distraction, towards the sole goal of protecting investors' money. I believe this rule change will help make that happen.
