Attention: Proposed rule on Financial Factors in Selecting Plan Investments (RIN 1210-AB95)

To whom it may concern:

I am writing to provide comments in response to the Department of Labor's proposed rule, "Financial Factors in Selecting Plan Investments," which relates to ERISA-regulated retirement plans.

Would you kindly please consider keeping your greedy hands out of my wallet?!?

I respectfully ask that the US Department of Labor withdraw this rule and continue to allow plan managers to operate within a free and fair marketplace.

Sincerely,
