Financial Factors in Selecting Plan Investments

Document: EBSA-2020-0004-DRAFT-0661
Comment on FR Doc # 2020-13705

Submitter Information

Name: Alejandro Flores

General Comment

I do not support this proposed rule as it makes it more difficult to invest in ESG funds and is an unfair burden to fund managers who want to consider the impact of investors' investments. ESG funds should be easily accessible to those who would like to invest in funds that take into account ESG principles.
