Financial Factors in Selecting Plan Investments

Document: EBSA-2020-0004-DRAFT-0816
Comment on FR Doc # 2020-13705

Submitter Information

Name: Angela Dixon

General Comment

I support the approval of this rule. Any other personal/charity fiduciary advisor who went off on a political tangent would be in violation of federal law. So this should apply across the board. Secretary Scalia please stand firm and do not be bullied; do what you know is right.
