Comment on FR Doc # 2020-13705

Submitter Information

Name: Paul Zander
Organization: President of an environmental servicing company

General Comment

I very much support RIN 1210-AB95. This makes it that fund managers cannot deceive the people whos money it is they are investing in with their money and the people whos money it is might disagree with the ethics of the company theyre investing their money.and we especially need to know what funds they are investing in Example : Chinese communist party who obviously hate America and want to destroy our wonderful and beautiful country.
