Financial Factors in Selecting Plan Investments

Document: EBSA-2020-0004-DRAFT-0835
Comment on FR Doc # 2020-13705

Submitter Information

Name: Renda Garner

General Comment

I agree that ERISA should require plan fiduciaries to invest SOLELY on financial consideration to ensure the financial interests of participants are protected. I'm retired and good return is what matters. Thank you for opportunity to give input
