Financial Factors in Selecting Plan Investments

Document: EBSA-2020-0004-DRAFT-0873
Comment on FR Doc # 2020-13705

Submitter Information

Name: Michael Bradford

General Comment

This is a much needed rule change. Return on Investment should be the main factor in our retirement accounts and the way they are managed. Someone's personal worldview and agenda should NOT be a factor. If one desires to be an activist, let him/her use their own money on their personal time!
