Financial Factors in Selecting Plan Investments

Document: EBSA-2020-0004-DRAFT-1057
Comment on FR Doc # 2020-13705

Submitter Information

Name: Christine Sullivan

General Comment

I am opposed to the proposed rule change. Environmental, Social and Governance (ESG) considerations have been documented to increase, not decrease, the value of retirement portfolios. As a retiree with several employee pension funds, and a supporter of green energy initiatives, I want my investment manager to include ESGs in their criteria.
