Comment on FR Doc # 2020-13705

Submitter Information

Name: Elizabeth Bidwell

General Comment

No American pension or pensioner should be subjected to unreliable investments in communist Chinese companies! These companies are not transparent with their policies and are known for using child and slave labor from groups that the Chinese imprison for their beliefs, such as Christians and the Uighur Muslims. Non-transparency in financial dealings and slave labor derive from values that are diametrically opposed to our American values. Please stop all pension investments in Chinese companies.
