Financial Factors in Selecting Plan Investments

Document: EBSA-2020-0004-DRAFT-1344
Comment on FR Doc # 2020-13705

Submitter Information

Name: Luc Pieron

General Comment

It is very important to me to have my retirement accounts invested in companies that perform well on ESG standards. I should be free to invest my retirement account as I see fit. I can't imagine what the logic is to preventing ESG investments for retirement accounts except to help companies that are bad actors who are lobbying politicians to push this type of regulation.
