Dear Director Canary:

On behalf of (Your Organization Name), we thank you for the opportunity to submit comments on the notice of proposed rulemaking entitled “Financial Factors in Selecting Plan Investments” (“Proposal” or “NPR”). Integrating environmental, social, and governance (ESG) factors into investment activities is inappropriate. Investment markets are being skewed by such regulations. Please review this report. Thank you for your review.<http://blog.friendsofscience.org/wp-content/uploads/2016/04/undue-influence-markets-skewed-april-5-2016-final-ic-bl.pdf>
