Financial Factors in Selecting Plan Investments

Document: EBSA-2020-0004-DRAFT-1424
Comment on FR Doc # 2020-13705

Submitter Information

Name: Natalie Dunn

General Comment

Integrating environmental, social, and governance (ESG) factors into investment activities is essential to fulfilling fiduciary obligations to engage in appropriate risk management. We believe that the Proposed Rule fundamentally misconstrues the importance and role of ESG integration in reducing risk and increasing returns. Further, the Proposed Rule is likely to lead to confusion and costs for retirement plan fiduciaries. We, therefore, urge you to retain existing guidance and not move forward with a final rule.
