Financial Factors in Selecting Plan Investments

Document: EBSA-2020-0004-DRAFT-1525
Comment on FR Doc # 2020-13705

Submitter Information

Name: Sherial Lawson

General Comment

To Whom it may concern:

I, Sherial L Lawson, am writing in support of those managing pension funds acting with a singular fiduciary focus, the returns on investment for pensioners and beneficiaries, and not any other focus. The environmental, social, and/or political focus of the manager should NOT affect how they manage the investments of other people's money.
