General Comment

NO INVESTMENTS IN CHINA !

CHINA'S COVID-19 HAS KILLED THOUSANDS IN AMERICA! CHINA WILLFULLY HID THE WUHAN VIRUS UNTIL IT HAD SPREAD AND BECOME A PANDEMIC.

China is our enemy. It has stolen our technology and spied on us. No transparency will be provided with these monies and will aide in Chinas military and economic advances.

China kills their own population by "Disappearing" them and putting them into horrific camps where they are tortured, raped, and starved.

They abrogated a treaty with Great Britton for Hong Kong and are now taking over a democratically run "nation". They are imprisoning protestors to this take-over and many will be "disappeared".

Therefore I strongly urge NO INVESTMENTS IN CHINA !
