Prudence and Loyalty in Selecting Plan Investments and Exercising Shareholder Rights

Comment On: EBSA-2021-0013-0001

Prudence and Loyalty in Selecting Plan Investments and Exercising Shareholder Rights

Submitter Information

Name: Mark Weathers

General Comment

Having just been through a frustrating attempt to invest responsibly through my company's 401K, I believe this is a critical issue that should be addressed with this rule change. May people wish to invest responsibly and wish to use their financial power to send a message but most employer's plans do not adequately support these choices. I had to go to the extraordinary step of moving my 401k, not everyone has this option.
