Prudence and Loyalty in Selecting Plan Investments and Exercising Shareholder Rights

Comment On: EBSA-2021-0013-0001

Prudence and Loyalty in Selecting Plan Investments and Exercising Shareholder Rights

Submitter Information

Name: Betty Petty

General Comment

This is so hurtful and wrong; Having paid into So Security 40 years; carefully saving and investing conservatively to be able to pay taxes, buy food, medicine, pay utilities which I use as sparingly as possible, government control would be disastrous; as is everything government touches! Being an 85 year old widow; I am appalled at the horrendous waste of taxpayer dollars; not for citizens benefit; please stop this insane idea/bill!
