Comment On: EBSA-2021-0013-0001

Prudence and Loyalty in Selecting Plan Investments and Exercising Shareholder Rights

Submitter Information

Name: Doris Hinton

General Comment

Are you kidding me?! You are suggesting that people invest for their retirement not to MAXIMIZE their investment portfolio and not WORRY about how long their funds will last, but instead have the requirement to be to invest in green, woke, companies whose performance may be weaker, is NONSENSE!
