General Comment

The Biden-Harris Administration is trying to force my investment managers to use YOUR RETIREMENT MONEY to invest in "woke" corporations instead of what's best for my financial future.

That's insane! You'll ruin my retirement plans and use my money to invest in Leftist corporations.

This cheats me from what I've worked hard to achieve. I'm just an average person without massive senior income. Yet you want to mess up what I have!

Do NOT do this!
