The purpose of the Employee Retirement Income Security Act (ERISA) is to allow the working man or woman to work with their employer to build for their retirement in a manner that will do offering the best chance for retirement income growth. To allow the plan fiduciaries to invest according to their social agenda will diminish the ability of the investors to profit and reduce their future financial security. Stop the Environmental, Social, and corporate Governance (ESG) investments. It goes against the assigned purpose of the 401k investment program.
