Docket: EBSA-2021-0013

Prudence and Loyalty in Selecting Plan Investments and Exercising Shareholder Rights

Comment On: EBSA-2021-0013-0001

Prudence and Loyalty in Selecting Plan Investments and Exercising Shareholder Rights

Document: EBSA-2021-0013-DRAFT-3116

Submitter Information

Name: John Dodd

General Comment

I am writing to object to the gross government overreach requiring investment managers to utilize ESG standards when managing pension investments. Shareholder value should be the only prerequisite and what you are proposing will distort free market principles and adversely affect the retirement of millions of Americans.
