Prudence and Loyalty in Selecting Plan Investments and Exercising Shareholder Rights

Document: EBSA-2021-0013-DRAFT-3097

Submitter Information

Name: Rebecca Price

General Comment

Retirement funds should be invested solely on the basis of financial gain. NOT social justice causes. There's a retirement crisis in this country; many people no longer have enough money saved for retirement. No one can live on social security, which keeps getting pushed farther away for many. Do not mandate that retirement funds be invested based on anything other than the customers financial gain.
