Prudence and Loyalty in Selecting Plan Investments and Exercising Shareholder Rights

Document: EBSA-2021-0013-DRAFT-3853

Submitter Information

Name: Bettina Nash

General Comment

I want you to keep your hands out of my savings retirement account. This money is all I have for emergencies so that I can take care of myself. If I am forced into ESG funds I will lose money that I cannot afford. I should have control over my own funds without government intervention. This is unconscionable. Keep your hands out.
