General Comment

Isn't it bad enough that my tax dollars are wasted funding liberal stupidity, intolerance (hate) and perversion? (That is by no means an exhaustive list). This Nazi regime needs to be put in their place. Forcing an individual/group to invest hard earned income into companies that go against their moral, ethical and potentially religious convictions should be a felonious act. I am imploring you as a freedom loving American to stand for what this once great country was built upon. Protect freedom and liberty.
