Subject: Proposal to ban options in retirement accounts:ZRIN 1210-ZA25

Dear Secretary,

I am a concerned citizen.

I am not in support of the proposal to Ban Options in Retirement Accounts.

I believe the citizens have the right to trade options in their retirement accounts.

In the retirement accounts Option trading is Cash Secured.

I believe this is punitive , not corrective, protective.This is an over reach.

Sincerely Yours,

Oduah Osaro MD.
