General Comment

Please allow me to handle my own investment affairs. I am able to educate myself on any aspect of options trading and plan to use these in my IRA to fund retirement and old age. Don't need the government to "protect" me; no "protections" during my life have had any positive effect on me or my family. Please find ways to reduce regulation, not increase it. Information on conflict of interest re investment advice is fine. But please DO NOT regulate anything else!!

Thank you,

Your taxpayer.
