General Comment

Re: RIN 1210-AB32 Please do not restrict my ability to trade stock options in my IRA. I've spent many hours learning how to trade them properly with very little risk. Over the past 30 years I have built my IRA 10 times what it would have been without them. If you will take the time to fully understand options you will realize that trading them properly will actually reduce risk while greatly improving my return on investment.
