General Comment

I believe that the American people want to remain as free as possible. I know I do. This rule removes freedom in a misguided attempt to protect people from themselves. No one cares more about my money than I do. This rule makes it harder for me to lower my basis or to use tools that are helpful to creating wealth in my retirement accounts. This rule only forces me to pay others to do what I can currently do myself. I use option trades in my IRA. Don't take this useful tool away.
