## General Comment

I do not need a nanny telling me what to do with my own money.i earned it I will do whatever I want to do with it.dont you all think at this level people who are trading options on their 401 or ira's have a grasp of what they are doing.besides if I fail that is also my right.also my failure rate doesn't come close to govt.programs failure rate.stay out of my life.if you force this on us anyway I guess the future is SEIG HEIL !
