General Comment

We do not need anymore Government regulation, everything the Government does ends up costing us.."We the People" more money.

Let me invest my IRA or retirement funds they way I want to invest.....The Government had screwed up Social Security, that is now broke due to poor Government decisions.

Health care "If you like your Dr. you can keep your Dr." and "Each family will save an average of \$2,500"...well, no need to say what the Government has done to health care.

Please don't pass this poorly written regulation...we need LESS regulation NOT more.

I want to protect my right, and the right of others, to trade options in a retirement account

Thank you,
Scott Cook
