Document: EBSA-2010-0050-DRAFT-5886

Comment on FR Doc # 2015-08831

Submitter Information

Name: James Bohdan

General Comment

The restriction of use of stock options is unnecessary and limits the ability of the retiree to live at the standard of life that retiree may be capable of. Some people are good at choosing stocks or mutual funds, most are not, so why not limit the use of mutual funds in a retirement account?

Let's not inject silly rules into new regulations.
