Comment on FR Doc # 2015-08831

Submitter Information

Name: Bill Watson

General Comment

Are all laws and rules the same, then take the time and learn that all options are not. If you learn to use options the way it should be for income (IRA) they can protect a account more than hinder. I currently use them and find they help to bring down my basis for the stock as well as set a time to sell in some cases. Yes there are those that can put a strain on a account but there are stocks that can as well.
