General Comment

Please do not remove the Option Trading from me and other conservative traders. I have learned to use the covered options in my IRA to save me money in buying stocks and it has increased my conservative IRA portfolio about 11 % net the past year. I have to use my IRA to suppliment my income. So far it has been a God send to me to help me cover my increasing medical costs. I do not think that it is fair for the Labor Dept. to infringe on my IRA's that I worked so hard to impliment. I believe you mean well to try to help. However, your intensions will only help the IRS not the workers.
Please leave our IRA's that we worked so hard to establish, alone
Sincerely
