Comment on FR Doc # 2015-08831

Submitter Information

Name: Forrest Hobbs

General Comment

Please understand that the covered call is the main way I insure my equity from severe loss. It is very similar to a farmer pre-selling a portion of this years produce early for a set price insuring enough capital for the next year's crop planting. It is safer than just owning the stock itself. Please do not restrict this very helpful ability.
