Comment on FR Doc # 2015-08831

Submitter Information

Name: R. Timothy Bowman

General Comment

I would like to retain the right to trade options in a retirement account.

I do this to provide an income stream for my wife and I as we get older and incur more bills for medical reasons and for medicine. This is my only way of providing income since I have been out of the business world too long and therefore can only earn minimum wage or trade options and earn a decent income in addition to my pension and Medicare!
