RIN1210-AB32; My understanding of this bill will be to remove my right to use options inside MY IRA. This is a way to increase the value of money I will depend on when I retire. This money is money I have earned in my lifetime and I should be able to do whatever with it and in this case, I want to be able to continue to grow the IRS through the use of options. Do Not continue to remove freedoms from Americans and please, do not try to protect us from ourselves. I would hope you would understand why having the ability to use options inside an IRA is imperative to its growth.
