General Comment

As a retiree with practically zero interest on my savings in this obama economy, selling covered call and put options is my only way to augment my income. We are not children and we do not need you to be our nanny. I've always paid my taxes to this growing over-reaching government, and I would at least expect you to get out of MY business in how I manage MY OWN savings!!! I am an MBA and trained in economics. I've been trading options for years. I know what I'm doing, and it is MY RIGHT WITH MY PROPERTY to manage it as I choose.
