## General Comment

I hope someone reads my comment.

I really don't want this rule to become law.....  
I and most of us understand how Options work.

The Government should try doing their real job just for a change.

Balance the budget, it is so simple.....

1% cut in real spending every year  
1 % increase in all taxes every year.

Term limits for the corrupt BUMBLE HEADS WHO GET ELECTED OVER AND OVER.
