Document: EBSA-2010-0050-DRAFT-6921

Comment on FR Doc # 2015-08831

Submitter Information

Name: David G. Fritsch

General Comment

Once again the Government wants to correct what "appears" to be a problem; however, the remedy will be worse than the perceived problem. I use options (covered calls) for protection against market oscillations in my Roth. I am aware that many others follow this procedure for additional safety and protection of the accounts value.

Please rethink this "interference" in our quest for safer investment choices.

Thank You
