Comment on FR Doc # 2015-08831

Submitter Information

Name: Kevin Leslie

General Comment

Please do not eliminate the ability of individuals to use options in their retirement accounts. Used correctly, options can provide portfolio insurance to individuals. Also, I am hopeful that various short funds (ETF's) will not be eliminated from IRA's and 401-K plans. Again, used properly, these ETF's can serve as a valuable hedge to a portfolio.
