Comment on FR Doc # 2015-08831

Submitter Information

Name: Bruce Buelke

General Comment

Please keep you hands off my retirement account trading. I use options to protect my and my wife's retirement accounts from unexpected moves in the markets and to generate income while holding stock of various companies. If some one is qualified to trade options in their account, the government does not need to interfere. Your proposed change will hurt my IRA's not help.
