Address:

2609 Newton Av South
Minneapolis, 55405

General Comment

Please do not eliminate the ability to use any form of options in 401K, IRA or any other retirement account. Options, when used properly, are a useful trading tool that decrease portfolio trading and/or investment risk. Options also may help an account owner earn additional income in a retirement account and this is particularly meaningful in our low interest rate environment. thank you for considering my comments.
