Comment on FR Doc # 2015-08831

Submitter Information

Name: David Wall

General Comment

I have spent months learning about options trading and particularly covered calls. I have not used them as yet but plan to in the near future to increase the income and hedge of my ira. For you to consider taking away this option is not only counter-productive, it is downright intrusive on the rights of individual investors. Please do not implement this law as you will do irreparable damage to the abilities of individual investors to protect and enhance their funds.
