Comment on FR Doc # 2015-08831

Submitter Information

Name: Wilbur Lauzau

General Comment

I am writing to request that you make no change to the present rules governing the purchase & sale of stock options in\ IRA accounts.

Use of options to reduce risk in retirement accounts, and to increase income is very important for middle class retirees. This use of options

to increase income is especially important at a time when retiree medical costs are increasing, and the opportunities to increase investment income are very limited.
