Comment on FR Doc # 2015-08831

Submitter Information

Name: Bill Harvill

General Comment

I would like to ask that no rules be implemented that would limit my ability to trade options within my IRA account. I have spent a good bit of time understanding options and how to use them. If used properly they can greatly reduce risk. Over the past few years having the ability to sell cash backed puts in my IRA has been very beneficial to me. Please do not implement any changes that would limit my ability to trade option within my IRA.
