Comment on FR Doc # 2015-08831

Submitter Information

Name: Michael Keener

General Comment

This change to the regulations should NOT take place. It is unfair to restrict my choices for investing the value of my IRAs using all of the available products in the financial marketplace. I currently utilize stocks, ETFs, options, futures, and other financial products as investments within my IRAs. This change in the regulations will cause my online broker to be unable to broker my transactions in the marketplace, thereby restricting my choices unfairly.
