General Comment

Please do not implement this rule. I am not wealthy, not even close. But, the little I have, I would like to protect and grow for my retirement. I have taken the time to learn proper options trading. As a result I have been able to grow my retirement account. I have learned and personally have experienced how option trades reduce risk, rather than increase it. With social security being broke, for all intents and purposes, options trading allows me the opportunity to grow my IRA with minimal risk.
