Comment on FR Doc # 2015-08831

Submitter Information

Name: John Hawkins

General Comment

I am writing to oppose the regulation of option trading in IRAs. I have sold options in my own IRA and made money. It is my money and I should be able to invest it as I wish. The notion of the government's ability to protect the individual is ridiculous. It is like the Fox guarding the henhouse. Please stop trying to regulate every aspect of life of the citizenry.
