## General Comment

Re: EBSA-2010-0050-0204

DO NOT implement this rule nor anything resembling it. We know what we are doing by using options in retirement accounts. We are increasing the safety, stability, and returns on capital of our life savings for retirement.

If you desire to actually help citizens, eliminate the personal income tax, government slavery system of illegitimate taxation without representation and replace all federal taxation with the single Fair Tax.
