I successfully sell covered calls in my brokerage account within my hard earned IRA accounts. I do not want this ability to handle my own finances taken away from some DOL rule that hurts the investor. Stop thinking that the government can tell me what I can and can not do with my own IRA. Do not limit what I can do with the funds –ie: selling covered calls to generate income.

STOP meddling in the affairs of the average citizen.

Thank you and make the correct decision.
