I am writing to protest the proposed restriction to the use of options in my IRA account. I am a retiree and I manage my retirement assets. I depend on the safety and income generated from the conservative application of option strategies. I take great offense at being told by an incompetent government that I must be protected from myself. Again, I oppose any limitations on the use of options in my IRA account or any retirement account.

Respectfully,  
Tim Bradley  
Jackson, WY
